

Third Grade

For the month of October we are emphasizing the *log on* and *log off* procedure.
Note: If you are the last class of the day please *shutdown*.

Ask your teacher each week if the students need to do Quiz Show on a topic for Math or Science. Teachers will also tell you if students need to take an Other Reading Quiz from their textbook.

1st Week

Teach students how to log on, log off and shutdown.
Explain to them the difference between *log off* and *shutdown*.
Log off keeps the computer ready for the next student to use,
shutdown powers off the computer. Turning the monitor off does not shut the computer down.

Take an AR quiz or Other Reading quiz if needed.

Math Facts (5 minutes)

Type To Learn 4 (10 min)

Quiz Show Math or Science (if needed)

Please log off.

2nd Week

Take an AR quiz or Other Reading quiz.

Math Facts (5 Minutes)

Quiz Show Math or Science (if needed)

Type To Learn 4 (10 min)

Pebble Go

3rd Week

Take an AR quiz or Other Reading quiz if needed.

Math Facts (5 Minutes)

Quiz Show Math or Science (if needed)

Type To Learn 4 (10 min)

Education City (ask teacher for activities)
