Story Jumper

Before each lab session talk to the classroom teacher to see what they would like you to do.

Students may need help with research, working on a word document or project.

They also may need to take an AR Quiz, Quiz Show math quiz or work on Math/Science on the website listed above.

If students need to take Quiz Show math quiz ask the teacher for the Topic #.

Username & Passwords for [www.pearsonsuccessnet.com](http://www.pearsonsuccessnet.com) are the student's AR username (in ALL CAPS) and Password but they must be 6 characters/numbers each. Add two zeros to the AR Password and if their Username is not 6 characters add zeros to it also.
