

# May Poems

## What is a Family?

What is a family?

Who is a family?

One and another makes two is a family.

Baby and father and mother, a family

Parents and sister and brother, a family

What is a family?

Who is a family?

The children that lived in a shoe is a family.

A pair like a kanga and roo is a family.

A calf and a cow that go moo is a family.

What is a family?

Who is a family?

Either a lot or a few is a family,

But whether there's ten or there's two in your family

All of your family plus YOU is a family.

## May

In May you may run.

In May you may hike.

In May you may skateboard

Or ride on a bike.

In May you may swim

And climb up a tree.

Or fly to the moon

Well, MAYbe!
