*Volunteers need a tb tests and to be fingerprinted plus filling out the other volunteer paperwork. If you have had that done already and have worked as a volunteer here before, there is a one page update to fill out. If you're new to Graystone, the forms are in the office. Please see Mrs. Maczka either way.*

***Have you joined Home and School Club?***

Another great week in E-24! We've been working on classroom routines. We're plodding along and beginning to get some work done. Next week begins our full day with dismissal time at 2:20. Lunch will be at 11:35. Please, send lunch or have a lunch account set up. I have noticed some students have snacks as big a lunch and will still be eating when recess is over. Please send something small. Students will have ten minutes to eat in order to have time to play before returning to the classroom.

Next Tuesday is Back to School night. This is a very important meeting to discuss schedules, expectations and standards for the upcoming year. I hope you can attend. We will review a packet of information and enjoy getting to know one another. I will also have a class phone list for when you child wants a play date, you want a carpool or need to get in touch with other families in our class. Please, let me know if you DO NOT want to be on this list.

During Back to school night, we'll also have volunteer sign-ups. Working with students academically is very rewarding. If this is something you're interested in doing this year, this is the time to sign up. I'll have the sign ups available

I'm looking forward to seeing you Tuesday night. I'll be bringing lots of information, please bring your questions.
