

John Muir Middle School

Announcements

Good morning! This is your Falcon News Update for Friday, February 16th, 2018.

Next week is Winter Break. All San Jose Unified schools and offices will be closed next week, February 19th through 23rd for the Winter Break. Classes resume on Monday, February 26th.

Art contest! The Almaden Valley Art and Wine Festival is inviting all students to participate in a logo design contest. Come see Mrs. Wilson in room 302 for more information. First place wins \$200 and artwork will be published on glasses, t-shirts, and shown in local newspapers. Contest ends March 15th.

Beginning on Monday, February 26th, all outside sports equipment will need to be put away before school hours. This includes footballs, tennis balls, basketballs and so forth. Students can store their equipment in the scooter closet. Items must be dropped off prior to the start of first period.

Also, beginning on Monday, February 26th, the front office will no longer notify students if a lunch is dropped off for them. We will not be interrupting instructional time for students to come and pick up their lunch. Being in class the maximum amount of time is our main focus. Please plan accordingly.

Today is a Minimum Day. Students will be released at 1:12PM.

This concludes your announcements. Have a safe and relaxing break!
