

**2017 Summer School Application  
LELAND HIGH SCHOOL**

Dear Charger Family,

In order to provide an opportunity for students to make up credit deficiencies, Leland High School will be offering summer school. We encourage students to take advantage of this opportunity to either retake in a class in which they previously earned an F to make up credits, or to retake a class in which a D grade was previously earned in order to meet the university grade requirement of C or better. *Please be advised that it is the policy of the University of California that a student may only repeat a course in which a D or an F was earned.* If you have any questions please contact Brenda Stone, Jill Riebow or Lisa Castillo in the Academic Counseling Department at 408-535-6290 or visit the Academic Counseling website at [http://www.sjUSD.org/leland/academic\\_counseling/index.html](http://www.sjUSD.org/leland/academic_counseling/index.html)
