

**Lincoln High School
Athletic Boosters Club
2016-2017**

Lincoln offers a total of thirty-four teams and fourteen sports in which to have your child participate. Becoming an Athletic Booster makes an enormous difference for our school. We ask that every family make a **tax-deductible donation of \$25 to join the Athletic Boosters Club.** A check written to **Lincoln High School Athletic Boosters** or cash will be accepted. All fundraising monies raised by the Athletic Boosters benefits the Athletic Department teams in obtaining equipment, pay tournament fees and college scholarships.

We are a 501c(3) organization and with your membership/additional financial donation, a thank you letter will be sent with our EIN for your tax purposes. Thank you for your consideration as all monetary gifts and your time are greatly appreciated.
