Re: Bond; Community Oversight Committee

Dear Ms. Bedard-Carr:

Thank you for your question regarding liability insurance coverage for the Districts Bond Oversight Committee.

I reviewed your General Liability policy. Section II.c.4 explains that the policy defines insured's to include:

- (1) members of the School Board;
- (2) Officers;
- (3) Employees;
- (4) Authorized individual Volunteers.

Per the description I received of the Districts Bond Oversight Committee, these individuals will be acting as volunteers and should be covered by this Liability policy. Furthermore, this committee is acting in an oversight capacity and will be making no direct decisions or policy. Therefore the committee poses little risk of liability to the District.

The Bond Oversight Committee should not need to purchase separate liability coverage.

Should the situation change or if you have further questions, please contact me immediately.

Sincerely,

Matt Gowan
