Facilities

Results of a facility inspection conducted on 9/8/08 rated this school’s condition as **GOOD.**

Booksin sits on a 10-acre property in the Willow Glen neighborhood of San Jose. The 38 classrooms accommodate 29 regular education classes, 3 Special Education classes, a technology lab, Library/Media Center, Science Lab, and Staff Room. There is also a Day Care facility, and a Life Lab with garden plots for classrooms. Site improvements began in the summer of 2004 and include a new building that

houses eight classrooms, Library Media Center, Technology Lab, and student restrooms. A complete renovation of the large turf area was started in April 2006. Improvements of drainage design, grading, a new irrigation system, and installation of sod were completed winter 2006. The school was painted during the summer of 2008. The new colors blend the original buildings with the new construction. A dedi-

cated group of parents began the process of designing a refreshment of our school Life Lab. The goal is to pursue grant funding for the Life Lab refresh during the fall of 2008.
