## Facilities

Carson was built in 1974 and has been exceptionally well maintained. In 2002, the facilities and grounds underwent extensive modernization including new heating and air conditioning units, a new kitchen, a new roof, new furniture, new carpets, and a complete paint job inside and out. Measure F funds were used

for summer 07 renovation of the main building. Walls were constructed in the open pod classrooms. The custodial staff includes one daytime custodian. Students and neighbors have developed a pride in their school, thus the site looks good and vandalism seldom occurs.
