Facilities

Graystone School works to provide a safe, clean, and positive environment for learning. Students have developed a pride in their school that seems to minimize vandalism. Graystone was renovated during the summer of 2002. At that time a new roof, air conditioner and heater were installed. The complete building was painted inside and out. Due to the size of our school, we use

16 portables to help alleviate over crowding. Cafeteria renovation was completed in the summer of 2007. Student restrooms were renovated during the summer of 2006.
