## Facilities

Results of a facility inspection conducted on 9/26/08 rated this school’s condition as **GOOD.**

Los Alamitos Elementary School is a 32-year-old facility with fifteen portable classrooms. During the summer of 2008, walls were installed in the Min Building, and two kindergarten classrooms to close the open pod classrooms into single self-contained rooms. Other construction improvements during the summer of 2008 were made in the Health Office, the Staff Room, resurfacing the driveway and the blacktop. During the summer of 2002, our school underwent a \$2 million renovation, including updated T-1

lines, new carpets, new paint, and improved heating/air conditioning systems. A Disaster Preparedness Plan is updated yearly, and practice drills are scheduled regularly. Our full-time custodian has been on our staff and in the district for more than 33 years. Our school is rated by parents and staff each year in our Annual Climate Survey, and continues to receive high marks for cleanliness. Our custodian cleans all restrooms daily, including all kindergarten restrooms. Our grounds are also checked

daily for debris that is promptly removed. Classroom trashcans are emptied daily, and a custodial crew rotates through classrooms each evening to clean chalkboards, sinks, and vacuum floors.
