Facilities

Results of a facility inspection conducted on 9/20/08 rated this school's condition as **GOOD.**

Schallenberger was built in 1955 and modernized from 1998-2000 with Measure C bond money. New playground equipment for the main playground was installed in 1995 and in 2004 was relocated with a rubber mat under the equipment and brought up to code. The kindergarten play equipment was installed in 1999 and in 2005, a rubber mat was also installed under the equipment. In 2002-2003, parents, staff, and community renovated the memorial/reflective area at the corner of Koch Lane and Gerald Way that is named *Meredith's Corner* in memory of a former student. A new building that houses the library, computer lab, bathrooms, and eight classrooms was built during the 2004-2005 school year with Measure

F bond money. In addition to the building of a new building, the following were accomplished during the 2004-2005 school year:

- The traditional classrooms (#1-16) were modernized with new sinks, cabinets, and windows.
- New portables were relocated and upgraded.
- Bathrooms (student and staff) were modernized and brought up to code
- The office (main office, workroom, and health office) was modernized and brought up to code.
- The field was renovated and a decomposed granite walkway was installed around its

perimeter.

- The playground was resealed and games were repainted.
 - The kitchen was modernized and a new speed line was installed.
 - The stage was resurfaced.
- Grounds are kept clean and safe by our excellent custodian and with the support of students, staff, and parent volunteers. The school community continues to improve the physical environment with a beautification program supported by the Home and School Association. In 2006, this parent organization purchased 15 new picnic tables for outdoor eating.
