Facilities

Results of a facility inspection conducted on 9/4/09 rated this school's condition as **GOOD.**

John Muir Middle School prides itself on the cleanliness of its campus. Maintenance of the grounds and campus buildings is a high priority. The John Muir locker rooms were completely renovated during the summer of 2005 for ADA compliance. The student and staff restrooms were renovated as well. John Muir has a state of the art Technology Wing, which includes a Video Editing Room, Multimedia Conference Room,

and Technology Support Center. During the summer of 2008, John Muir's science classrooms were remodeled and upgraded. In addition, John Muir received a face lift by getting new windows. Both this projects were finished on time before school started on August 28th, 2008. During the summer of 2009, John Muir continued to receive another face-lift by having all the asphalt in all the parking lots, basketball fields, and fire lanes resurfaced.

Through a special grant through Chevron and Bank of America, John Muir was updated with solar panels in three of the wings and parking lot in the form of carports. John Muir's solar project was completed on December 2008. John Muir is working on implementing the educational component of the Solar Energy program.

Program Improvement

Indicator	School	District
Program Improvement Status	Not in PI	In PI
First Year of Program Improvement Implementation		2009-2010
Year in Program Improvement		Year 1
Number of Schools Currently in Program Improvement		11
Percent of Schools Currently in Program Improvement		21.2%
Detailed information about PI identification can be found at the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ay/ .		

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Textbooks

John Muir Middle School used San Jose Unified School District's approved textbooks, for all curriculum areas. Students are provided with a classroom set as well as a home set of textbooks, in Math, Science, and Social Studies. Many staff

members maintain personal libraries in their classrooms, allowing for access to literature for all students. John Muir students have access to textbooks and instructional materials in all core subject areas that are in good condition. In

some of our subject areas, students have two textbooks one that stays in the classroom and one that is for home, avoiding the overloaded backpack.
