## San José Unified School District's Plus Program

The Plus program is part of the Learning Options Department of San Jose Unified School District. This school-within-a-school serves students who have grade level abilities yet have been unsuccessful at the comprehensive high school and thus are credit deficient.

The Plus School is staffed by two teachers and one counselor, who team teach two sessions of twenty students each. Additional credit opportunities will be added to each student's schedule with the ultimate goal of graduation from their home High School.

At Plus, all students must attend a minimum of 180 instructional minutes for 180 days. Courses offered are based on the needs of the majority of students in the program. Courses such as English, US History, Math, Science, American Government, and Economics are offered.

The program counselor meets with each student to create his/her individual academic plan that will meet SJUSD graduation requirements. In addition to PLUS classes, students may also attend classes at their home High School, vocational training centers (CCOC), adult education, or community college, and earn credit through work experience and independent studies. Because the Plus program is located on the larger high school campus, students may continue friendships with peers and participation in extracurricular activities.

Alternative school students will be changed to a district Board of Education adopted alternative graduation plan. A student's individual learning plan will help us monitor the student's progress towards graduation. While the alternative graduation plan requires the same number of credits, not all classes offered are UC/CSU approved. Many four-year universities will not accept an alternative student as a freshman. However, a successful community college student may transfer to almost any university. Once a student has an alternative graduation plan, it will be very difficult to change back to a traditional plan.

Students are referred to the Plus program throughout the school year. Academic guidance, reduced student-teacher ratios, individual and small group instruction, all combined with high expectations for success, help student achievement in the Plus program.

### Suspensions and Expulsions—3 year comparison

	School			District		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09

## Major Achievements

- 12/22 graduate went onto enroll in a Community College
- We have a high graduation rate
- All Math seniors passed the exit exam
- Re-assigned CELDT students
- Three students received Turn Around Scholarship

## Parental Involvement

Field trips, bar-b-ques for 93% or better attendance, parent orientation meetings, individual parent conferences, healthy kids initiative, back to school night all require parent participation

## Climate for Learning

### Safety

- Participated in District Wide Emergency Drills
- Participated in the Great California Shake Out
- Date safety plan updated: Refer to SJHA
- Date safety plan last reviewed with staff: Refer to SJHA

### Homework

Students complete individualized studies for homework. Additional assignments given as needed.

### Discipline

We utilize motivational techniques such as self monitoring, rewards for behavior, academics, participation attendance. Negative consequences include detention, Saturday school, calls home, and parent conferences.

### Facilities

San José Plus has one classroom on the San José High Academy campus. The student body and staff take pride in the school and maintain a safe and clean learning environment. The campus has recently been renovated with new windows, restrooms, and sports fields. A state-of-the-art science wing was built and opened for instruction in the fall of 2008. And construction began in August 2009 on a new 14,000 sq ft, \$6 million high-tech building that will house the Project Lead the Way Pathway to Engineering program.

### Professional Development

Three (3) staff development days

### Substitute Teachers.

We have always had a sub when a teacher is absent.

## Curriculum

### Reading and Writing

All lessons are aligned to the CA content standards. We read multiple types of texts such as novels, newspaper articles, etc. Students engage in writing expository, creative and comparative essays. Special attention is paid to CAHSEE prep.

### Math/ Science

Math and Science curriculum are aligned to the state and SJUSD standards. Multiple modalities are used to teach these classes: including; inquiry, multiple intelligence, hands-on, kinesthetic, and practical application materials. In these subjects, each student has current textbooks available, along with many of the newest, most progressive supplemental materials.

### Social Studies

All social studies lessons are aligned to the CA content standards. Students use multiple- primary and secondary sources to discover the past. Students do a variety of projects to show their understanding of various historical concepts.

### Textbooks

In English and Social Studies, each student has their own book that they use during class. Each student has access to supplemental materials to use to complete class projects and individualized studies.

In Math and Science, students have current textbooks available along with many of the newest, most progressive supplemental materials

## Specialized Programs

### GATE

We teach to their educational level using supplemental materials and curriculum and by having them do in-depth projects

### Special Ed

We teach RS students as other Special Ed students receive a more intense educational program in Special Education

### At-risk students

The whole program is for at-risk students. All students are monitored daily, calls home are made as needed, every 3 weeks progress reports are sent home and reviewed with the students so assess the students progress to graduation.

### English language learners

These students receive a more intense program in the comprehensive HS so we only take ELL students who are nearing the end of their ELL needs (scoring 4 or 5 on the CELDT)

### Students with disabilities

We serve students with 504 plans as directed. We also accommodate any and all physical differences as needed.

### After-school programs

We have tutoring and Individualized instruction before and after school for all students to assist them in making up lost credits

### Peer tutoring

Desks are arranged in groups of four (4) to allow students to help each other before, during and after class

## Postsecondary Preparation

### College Admission Test Preparation Program

Students set educating goals in class. We use a website called bridges. Here students study and explore career and educational opportunities. Students create portfolios that contain completed FAFSA forms goals and college information. Students also apply for college and register for classes.

Different Community Colleges give presentation to help assist the students

### Workforce Preparation Programs

We work on resumes and cover letters along with knowing what skills and education is need to obtain the chosen occupation

### Drop Out Prevention Programs

Each student is counseled academically every three (3) weeks. Attendance, behavioral, and emotional counseling is done as needed

### Career Technical Education Programs

Students are eligible to go to CCOC

Technical schools give presentations to assist students in making career and higher education choices

## Demographics

The chart and table below show the number of students enrolled in each grade level and the percent of students enrolled who are identified as being in a particular group during the 2008-2009 school year.

Student Enrollment by group	
African American	5.13 %
American Indian or Alaska Native	%
Asian	%
Filipino	%
Hispanic or Latino	87.18 %
Pacific Islander	2.56 %
White (Not Hispanic)	5.13 %
Multiple or No Response	%
Socioeconomically disadvantaged	76.00 %
English Learners	18.00 %
Students with disabilities	6.00 %

## Class Size

### Average Class Size and Class Size Distribution

## Teacher and Staff Information

### Teacher Credentials

Teachers	School			District
	2006-07	2007-08	2008-09	2008-09
With Full Credential	2	3	3	1503
Without Full Credential	0	0	0	77
Teaching Outside Subject Area of Competence	0	0	0	0

This table displays the number of teachers assigned to the school with a full credential, without a full credential, and those teaching outside of their subject area of competence.

### Teacher Misassignments and Vacant Teacher Positions

Indicator	2007-2008	2008-2009	2009-2010
Misassignments of Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

- Teacher misassignments (teachers assigned without proper legal authorization)
- Note: Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.**
- Vacant teacher positions (not filled by a single designated teacher assigned to teach the entire course at the beginning of the school year or semester).

Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

### Core Academic Classes Taught by NCLB Compliant Teachers

The **No Child Left Behind Act (NCLB)** requires that all teachers teaching in core academic subjects are to be "highly qualified". In general, NCLB requires that each teacher must have:

- A bachelor's degree
- A state credential or an Intern Certificate/Credential for no more than three years
- Demonstrated subject matter competence for each core subject to be taught by the teacher.

This chart displays the percent of classes in core academic classes taught by No Child Left Behind (NCLB) compliant teachers in the following areas:

- Teachers at this school
- Teachers in the District
- High poverty schools (student participation of 75% or more in free and reduced meals program)
- Low poverty schools (student participation of 25% or less in the free and reduced meals program)

More information on teacher qualifications required under NCLB can be found at the California Department of Education's Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

## School Finances (Fiscal Year 2007-2008)

### Expenditures Per Pupil and School Site Teacher Salaries

Level	Total Expenditures per Pupil	Restricted (supplemental) expenditures per pupil	Unrestricted (basic) expenditures per pupil	Average Teacher Salary
School Site	\$11,353	\$1,940	\$9,414	\$75,517
District	\$9,503	\$4,045	\$5,458	\$69,741
Percent Difference - School Site and District	19.47%	-52.04%	72.48%	8.28%
State			\$5,512	\$65,905
Percent Different - School Site and State			70.79%	14.58%
This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <a href="http://www.cde.ca.gov/ds/fd/ec/">http://www.cde.ca.gov/ds/fd/ec/</a> and teacher salaries can be found on the Certificated Salaries and Benefits Web Page at <a href="http://www.cde.ca.gov/ds/fd/cs/">http://www.cde.ca.gov/ds/fd/cs/</a> .				

### Types of Services Funded

San José Unified School District spent an average of \$9,784 per student in the 2007-08 school year, compared to \$9,045 per student spent on average by all unified districts in the state. Total operating expenses for the 2007-08 year were \$292,027,676. Additional details about San José Unified's expenditures can be found on the Ed-Data web site ([www.ed-data.k12.ca.us](http://www.ed-data.k12.ca.us)).

These expenses are for costs related to educational services to students as well as directly related support costs, such as utilities, custodial and maintenance costs. Included also are central support costs related to such activities as hiring, purchasing and accounting. This figure does not include food services, land acquisition, new construction, and other expenditures unrelated to core educational purposes. The expenses-per-student figure is calculated by dividing total expenses by the district's average daily attendance (ADA).

### Comparison of District and State Teacher and Administrative Salaries (Fiscal Year 2007-08)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificates Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average For Districts In Same Category
Beginning Teacher Salary	\$45,165	\$42,065
Mid-Range Teacher Salary	\$74,634	\$67,109
Highest Teacher Salary	\$90,708	\$86,293
Average Principal Salary (Elementary)	\$110,863	\$107,115
Average Principal Salary (Middle)	\$114,513	\$112,279
Average Principal Salary (High)	\$123,169	\$122,532
Superintendent Salary	\$251,999	\$216,356
Percent of Budget for Teacher Salaries	37.80 %	39.40 %
Percent of Budget for Administrative Salaries	5.40 %	5.50 %

## Student Performance

### Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA).

**The California Standards Tests (CST)** show how well students are doing in relation to the State content standards and are reported as performance levels. Students are tested in the following areas:

- English and Language Arts—Grades 2-11
- Mathematics—Grades 2—11
- Science—Grades 5, 8, 9, 10 and 11
- History and Social Science—Grades 8, 10 and 11

**The CAPA and CMA** are alternative assessments for special education students with Individual Educational Plans.

Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at [ <http://star.cde.ca.gov> ]<http://star.cde.ca.gov>. Program information regarding the STAR Program can be found in the Explaining 2008 STAR Program Summary Results to the Public guide at [ <http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf> ]<http://www.cde.ca.gov/ta/tg/sr/documents/starpkt5intrpts.pdf>.

*NOTE: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.*

### California Standards Test (CST) All Students—Three-Year Comparison

Percent of students achieving at the proficient or advanced level

Subject	School			District			State		
	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09	2006-07	2007-08	2008-09
English-Language Arts	17	5	24	48	51	54	43	46	50
Mathematics	*	*	0	46	48	50	40	43	46
Science	0	0	0	42	50	52	38	46	50
History Social Science	*	10	12	39	43	49	33	36	41

## Academic Performance Index (API)

### API Changes by Student Group -- Three Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

	Actual API Change			Growth API Score
	2006-07	2007-08	2008-09	2009
All students at this school	-115	-42	N/A	N/A

N/A means a number is not applicable or not available due to missing data.

### California High School Exit Examination

The California High School Exit Examination (CAHSEE) is primarily used as a graduation requirement. However, the grade 10 results of this exam are also used to establish the percentages of students at three proficiency levels (not proficient, proficient, or advanced) in ELA and mathematics in order to compute Adequate Yearly Progress (AYP) designations as required by the federal NCLB Act of 2001. Detailed information regarding CAHSEE results can be found at the CAHSEE Web site at <http://cahsee.cde.ca.gov/>.

**SJUSD Alternative Schools 11/12th Grade Average CAHSEE Pass Rate  
English Language Arts - 3 year comparison**

**SJUSD Alternative Schools 11/12th Grade Average CAHSEE Pass Rate  
Mathematics - 3 year comparison**

## Adequate Yearly Progress (AYP)

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Criteria	School	District
<b>Overall</b>	Yes	No
<b>Participation Rate - English-Language Arts</b>	N/A	Yes
<b>Participation Rate - Mathematics</b>	N/A	Yes
<b>Percent Proficient - English-Language Arts</b>	Yes	No
<b>Percent Proficient - Mathematics</b>	Yes	No
<b>API</b>	Yes	Yes
<b>Graduation Rate</b>	Yes	Yes
<b>This table displays an indication of whether the school and the district made AYP overall and whether the school and the district met each of the AYP criteria.</b>		

## Federal Intervention Program (School Year 2009-10)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

Indicator	School	District
<b>Program Improvement Status</b>	Not in PI	In PI
<b>First Year of Program Improvement Implementation</b>		2009-2010
<b>Year in Program Improvement</b>		Year 1
<b>Number of Schools Currently in Program Improvement</b>	N/A	11
<b>Percent of Schools Currently in Program Improvement</b>	N/A	21.2
<b>Detailed information about PI identification can be found at the CDE AYP Web page at <a href="http://www.cde.ca.gov/ta/ac/ay/">http://www.cde.ca.gov/ta/ac/ay/</a>.</b>		

## School Completion and Postsecondary Preparation

### Admission Requirements for California Public Universities

#### University of California

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site at <http://www.universityofcalifornia.edu/admissions/general.html>.

#### California State University

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site at <http://www.calstate.edu/admission/>.

## Dropout Rate and Graduation Rate

This table displays the school's one-year dropout rates and graduation rates for the most recent three-year period. For comparison purposes, data are also provided at the district and state levels. Detailed information about dropout rates and graduation rates can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Indicator	School			District			State		
	2005-2006	2006-2007	2007-2008	2005-2006	2006-2007	2007-2008	2005-2006	2006-2007	2007-2008
<b>Dropout Rate (1-year)</b>	2.6	7.5	7.5	2.7	2.9	2.4	3.5	4.4	3.9
<b>Graduation Rate</b>		91.7	85.0	90.7	85.6	85.8	83.4	80.6	80.2

## Completion of High School Graduation Requirements

Group	Graduating Class of 2009	
	School	District
All Students	73.1%	70.0%
African American	n/a	70.2%
American Indian or Alaska Native	n/a	68.0%
Asian	n/a	92.4%
Filipino	n/a	78.7%
Hispanic or Latino	76.2%	55.7%
Pacific Islander	n/a	58.8%
White (not Hispanic)	n/a	82.5%
Socioeconomically Disadvantaged	69.2%	65.8%
English Learners	n/a	32.4%
Students with Disabilities	n/a	42.3%

Students in California public schools must pass both the English-language arts and mathematics portions of the California High School Exit Examination (CAHSEE) to receive a high school diploma. For students who began the 2007-08 school year in grade 12, as evidenced by that school year's October CBEDS enrollment, this table displays by student group the percent who met all state and local graduation requirements for grade 12 completion, including having passed both portions of the CAHSEE or received a local waiver or state exemption. Detailed information about the CAHSEE can be found at the CAHSEE Web page at <http://www.cde.ca.gov/ta/tg/hs/>.

**Note:** "N/A" means that the student group is not numerically significant (10 or less).

## Career Technical Education Programs

San Jose Unified School District has a Joint Powers Agreement with the local Regional Occupational Center, Central County Occupational Center/Metropolitan Education District (CCOC/MetroEd). CCOC is a consortium of six school districts offering exciting and effective job training classes in one unique facility. High school advisors recommend students for CCOC placement. Students are bused to and from their home school daily, attending CCOC for three hours in conjunction with their regular high school studies. CCOC course offerings are primarily those that require special facilities and equipment normally not available or economically feasible at any one school. However, each of the comprehensive high schools in SJUSD has ROP courses offered on its campus. These courses vary by school and for up-to-date information, the school needs to be contacted.

Each high school's sequence of courses varies and changes according to staff availability, student enrollment, and employment trends. As an example, one high school in SJUSD, a technology magnet, has the following strands:

- Multimedia/Advanced Multimedia
- Drafting and Advanced Drafting
- Woods/Woods Advanced/Construction Class offered at CCOC

Currently, the following ROP courses are offered at SJUSD high schools (these courses are subject to variation year-to-year):

Broadway High School	Child Development
Gunderson High School	Video Production
	Multimedia Design Level 1 and 2
	Construction Technology
	Drafting Level 1 and 2
Leland High School	Animation
	Computer Applications
	Media Arts
	Multimedia Design Level 1 and 2
Lincoln High School	Commercial Photography
	Multimedia Design Level 1 and 2
Pioneer High School	Construction Technology
	Multimedia Design Level 1 and 2
	Multimedia Design/Yearbook
San Jose High Academy	Commercial Photography
	Computer Applications
Willow Glen High School	Commercial Photography
	Multimedia Design Level 1 and 2
	Multimedia Design/Yearbook

In addition to these career pathways, SJUSD also has an Engineering Career Pathway using the Project Lead the Way (PLTW) curriculum operating at San Jose High Academy and Leland High School. This is a nation-wide, highly-respected curriculum introducing high school students to engineering.

SJUSD has a Career/Vocational Counselor who presents CCOC opportunities to all sophomores and interested juniors and seniors in SJUSD. This is done through presentations at each comprehensive high school. In addition, the counselor is housed at CCOC and monitors the progress of each SJUSD student enrolled at CCOC. Each comprehensive high school offers extended counseling support to students for career and post-secondary planning.

Each school also has a College and Career Center which affords students the opportunity to explore college and careers by using district approved career guidance software. The software provides tools that assist students in exploring careers and education and training opportunities in order to make informed decisions about their futures. A Career Center Technician is available to train students in the use of the software and to assist them in their exploration and planning.

Housed in each College and Career Center is Central County Occupational Center High School Advisors Handbook. This handbook lists all of the courses offered to SJUSD students at the CCOC. The handbook also indicates career pathways for the classes offered at CCOC. Articulation agreements with local community colleges specifying college credits which may be earned by successful completion of CCOC courses are available in the handbook also.

CCOC currently offers the following courses to SJUSD students:

#### Automotive Technology

- Auto Body Repair and Refinishing
- Brakes and Alignment
- Engine Repair and Transmissions
- Truck Mechanics
- Tune-Up and Electrical Systems

#### Building Technology

- Air Conditioning/Refrigeration/Heating
- Carpentry
- Electrical Maintenance

#### Business Technology

- Managerial Accounting
- Office Assistant
- Small Business Management

#### Engineering/Industrial Technology

- Computer-Aided Drafting
- Computer Technology Careers
- Metals Technology/Welding
- Precision Machining

#### Health & Community Service

- Dental Assisting
- Forensic Investigation
- Health Occupations
- Law Enforcement
- Medical Assistant
- Medical Office Careers
- Probation & Legal Careers
- Veterinary Assistant

#### Hospitality

- Baking and Catering
- Culinary Arts

#### Visual Arts

- Animation
- Graphic Design
- Interior Design
- Multimedia
- Video Production

**For additional information, contact the district office or speak with the school principal.**

## San José Unified School District

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

San José Unified's SARCs are prepared by the Office of Public Engagement.

## Data and Access

### DataQuest

*DataQuest* is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
