Principal's Comments

Grant Academy is committed to providing an environment where all children can learn and succeed. The school is a learning center with high expectations. We ensure equal access to a rigorous and challenging curriculum, enabling all children to be lifelong learners who are empowered to take on the challenges of the future.

Grant met and exceeded the No Child Left Behind goals, making Adequate Yearly Progress (AYP) school-wide, and for all significant subgroups.

Grant Academy Mission

- To provide a quality education, meeting state and federal standards, narrowing the achievement gap.
- To set high expectations for student success, enabling students to achieve grade level proficiency.
- To prepare students to go to college and contribute to their community.
- To provide purposeful professional development to the teaching staff to improve their teaching practice and foster collaboration.

Specially funded programs include the Title 1 Program for children who need extra help in reading and math, Bilingual Education, Drop Out Prevention counselor, GATE (Gifted and Talented Education), Homework Center, and After School All Stars. Students receive a challenging and integrated program that develops basic skills in reading with the *Success for All* program. A full-time counselor works with attendance issues and supports student success in school by assisting with student social development and parent education.

At Grant School, the entire student body receives class and/or school recognition through a variety of programs including monthly award assemblies, Student Council, Eagle Ticket Program, and other activities promoting student talents.

Principal's Experience

Cecilia Barrie is the principal at Grant and this is her 5th year at Grant. Prior to coming to Grant, Ms. Barrie had 10 years' experience as a principal and 20 years of teaching experience. Mrs. Barrie was chosen as the California Association for Bilingual Education's Administrator of the Year for 2005-06 and received San Jose Chamber of Commerce's Leadership award.

Major Achievements

- Provided extensive support programs and interventions for students including a homework center, tutoring, Saturday Academy, and individual and group counseling services
- The redesignation rate of English Learners to English Proficient exceeded the District's rate.
- Extended School Year to help English Learners learn more English.
- Accelerated Reading program and reading campaigns successful in making sure all students read.

Parental Involvement

Parents are always welcome at Grant Academy. Parent involvement has increased greatly during the past year. The Parent Leadership Committee, under the facilitation of the Outreach Consultant, provides opportunities for parents to participate in fundraisers, help in the classrooms and homework center, and organize fundraising and community activities such as the Harvest Festival, Thanksgiving dinner, spaghetti dinner, schoolwide clean up days and the International Festival.

Parenting classes and ESL classes are held on Grant's campus. The School Site Council and Site English Learner Committees are held monthly to create a collaborative effort of school staff and parents to make instructional decisions about Grant School.

For further information on parent involvement, please contact the Outreach Consultant, James Landa, at 535-6227.

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

A Grant schoolwide discipline plan was written by the staff and is reviewed by the staff and updated yearly. We schedule fire and disaster drills regularly. A three-way pledge between parents, students, and teachers is created to insure full participation in the students' academic success.

A full-time yard duty supervisor patrols the campus at all times to ensure the safety of students.

Eagle Tickets are given by staff to reward good behavior and to promote fairness and compliance with the school rules. Students exchange these tickets for prizes. Monthly awards assemblies recognize students for behavior, attendance, and life skills.

Homework

Students in grades 1-5 are expected to do homework nightly. In addition to written homework, all students are expected to read for a minimum of 20-30 minutes each night.

Grant has an expanded homework center with collaboration with the City of San Jose Homework Center, and After School All-Stars. Students are assigned daily homework, 20 minutes of reading for *Success For All* and additional math homework.

Discipline

The Grant staff is committed to maintaining a positive learning environment where all students are treated with respect and everyone expects respect. Teachers and parents developed our school discipline plan. A copy is provided to each parent at the beginning of every school year along with the District's Behavior Handbook. A three-way pledge is signed by students, parents, and teachers to ensure the policies of the discipline plan and District Handbook are followed. Eagle Tickets are given to students who follow rules and who play and act fairly. Students participate in Cornerstone activities to eliminate bullying and develop assets. Visitors to our school always comment on the excellent behavior on the part of the students. The suspension rate at Grant is very small compared to other schools.

Facilities

Grant provides a safe and clean environment for learning. Grant met all the Williams Act inspections for a safe, clean, and adequate learning environment.

Grant School is 27 years old. The school's maintenance is done on a regular basis by our excellent custodian and a night crew. The bathrooms are checked regularly during the school day. The blacktop was renovated in 2008. The office was remodeled in 2005 and ADA bathrooms were installed.

In 2005, the renovation of a two-story classroom building took place. Renovation and remodeling of the older buildings on campus took place in the summer of 2003. A beautiful new cafeteria/multi-purpose building was built and inaugurated in August 2007. A new playground was installed in 2005. The grass area was replaced with a soft artificial turf in 2007. The main building underwent renovation during summer of 2007. All classrooms are air conditioned and all classrooms have a document camera and LCD projector.

Evaluating/Improving Teachers

Teachers are evaluated according to the bargaining unit contract and district-wide procedures. New teachers at Grant are formally evaluated two times each year until they reach permanent status. Tenured teachers are evaluated every other year. In addition to the formal evaluation

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Each area/classroom of the school is inspected. A "deficiency" is counted for each occurrence of a condition. Descriptions of similar deficiencies are combined rather than to list by classroom.

System Inspected	Exemplary	Good	Fair	Poor	Repair needed and action taken or planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer		✓			There were 18 deficiencies in this area. They included AC/Heating vents that needed cleaning, A/C not working in C-8 and F-15, and vent cover loose.
Interior: Interior Surfaces			✓		There were 14 deficiencies in this area. They included a big hole in wall Admin Area, a hole in wall in Office 2, ceiling trim broken, ceiling tiles torn, ceiling tile missing, wall needs paint in staff work room, paint peeling, wall fabric torn, floor tile bucking up, ceiling tiles cracked, and chunk of floor missing by swirl slide in main playground.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	✓				There was 1 deficiency in this area. Carpet stained in Rm-33.
Electrical: Electrical			✓		There were 14 deficiencies in this area. They were for light bulbs that need to be replaced, and panel cover missing from alarm in A-1 and F-15.
Restrooms/Fountains: Restrooms, Sinks/ Fountains		✓			There was 1 deficiency in this area. Faucet and drinking fountain don't work in Rm 32.
Safety: Fire Safety, Hazardous Materials	✓				
Structural: Structural Damage, Roofs	✓				There was 1 deficiency in this area. Roof tarp torn in outdoor eating area.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	✓

Detailed information about teacher qualifications can be found at the CDE Web site at <http://dq.cde.ca.gov/dataquest/>.

Core Academic Classes Taught by NCLB Compliant Teachers

The *No Child Left Behind Act (NCLB)* requires that all teachers teaching in core academic subjects are to be "highly qualified". In general, NCLB requires that each teacher must have:

- A bachelor's degree
- A state credential or an Intern Certificate/Credential for no more than three years
- Demonstrated subject matter competence for each core subject to be taught by the teacher.

This chart displays the percent of classes in core academic classes taught by No Child Left Behind (NCLB) compliant teachers in the following areas:

- Teachers at this school
- Teachers in the District
- High poverty schools (student participation of 75% or more in free and reduced meals program)
- Low poverty schools (student participation of 25% or less in the free and reduced meals program)

More information on teacher qualifications required under NCLB can be found at the California Department of Education's Web site at <http://www.cde.ca.gov/nclb/sr/tq/>.

process, the principal conducts numerous classroom visits and walkthroughs. Support for teachers is provided by a Professional Development Coach (PDC) and resource teachers as well as by District BTSA .

The principal conducts the observations and evaluations and meets with the teachers on a regular basis.

Professional Development

Two days a year are dedicated to professional development. In addition, every Tuesday is an early release days, and teachers meet every Tuesday to analyze data, share lessons, and plan how to teach the standards. Professional development is conducted on an on-going basis at weekly staff meetings and after school. Teachers participate in SFA reading meetings at least once a month, from professional SFA trainers. Staff development in the areas of math and English Language Development are also offered by resource teachers. Teachers participated in Thinking Maps professional development. Teachers meet in grade level meetings weekly to collaborate on scoring District assessments (benchmarks), to analyze data, and to plan accordingly for student success. Professional Development Coaches models lessons and assists with planning. ELD staff development is provided by consultants and by the ELD resource teacher.

Staff development is delivered at Grant in a variety of ways: workshops, individual mentoring, conferences, and coaching.

Teachers are supported during implementation through in-class coaching, SFA component meetings, analysis of student assessments, demonstration lessons, release time for planning with grade level teams, teacher-principal observations and meetings, and the Lab classrooms.

Substitute Teachers

We are fortunate to have substitute teachers who regularly substitute at Grant. In addition, five resource teachers are available to sub occasionally. The principal acts as a substitute as needed.

Support Staff

Grant has 1.0 FTE Academic Counselor and a Parent/Community Liaison. In addition to the coaches, Grant has a Title I resource teacher who focuses o Math, and an Accelerated Reading Resource Teacher who motivates students to read and makes sure they are doing their reading. We also have a full-time speech teacher, an RSP teacher, and an SDC teacher. Student's health needs are managed by a health aide and a part time nurse.

Curriculum

Reading and Writing

Grant Academy uses *Success For All* and Houghton Mifflin for reading. The kindergarten Kinder Corner model includes letter/sound recognition, excellent literature, and writing about social studies/science themes. Kinder Roots reading is introduced. First grade Roots reading includes sound/letter recognition with grade one level books, listening to excellent literature, speaking, and writing complete sentences. Students at the 2nd-5th grade reading levels participate in the SFA Wings curriculum, which utilizes HM textbooks. Students read district adopted Houghton Mifflin fiction and nonfiction, learn good reading strategies, and write often. Progress is monitored every eight weeks and interventions are provided to help students improve. Students read nightly for homework. Every class learns to write in all subjects, and teachers have been trained in Step Up to Writing. Students take the district's Benchmark Assessment every 8 weeks to mark progress toward learning the Language arts standards. All students at Grant are expected to read on their own every day, and to earn Accelerated Reader points (1 point a week for students in grades 2-5).

In the bilingual classes (ALA), students learn to read in Spanish first while learning English. English learners (ELs) receive daily English Language development lessons daily. Formal transition to English reading occurs in 3rd grade. Students have access to all the same materials and curriculum as the English only classes.

Math

Grant Academy teachers use the District adopted Harcourt Math Series. The Title I resource teacher is helping the Grant teachers to prepare students for the District Math Performance Based Assessments and the six math benchmarks. The basic math facts are reviewed daily using the 50-in-a-Minute Math program. Students take the district's Benchmark Assessment every 8 weeks to mark progress toward learning the math standards. In addition, Grant's Title I Resource Teacher works with small groups of students who are in need of math tutorials.

Science

Grant teachers use the District adopted Science series. Fifth grade classes go to Outdoor Science camp. In addition, expository writing about science is implemented with *Step Up to Writing* in which all Grant teachers are trained. New Science materials were adopted this year.

Social Studies

At Grant, teachers use the District adopted Social Studies textbooks and series. Upper grade students are required to do a project or report during the year to show they have mastered the subject matter. The use of the library and the internet is encouraged to find needed information.

Textbooks

Grant's curriculum includes all recent adoptions of curricular material from the District. The books purchased for the Accelerated Reader program also provide information in all subject matters. Additional books are purchased for the extended homework studies in the after school programs.

All students have access to textbooks and other instructional materials in each core subject area that are current and in good condition, as determined by the Williams Act audit, which Grant has passed.

Specialized Programs

GATE

GATE students' needs are provided by differentiating the classroom curriculum for challenging work.

Special Ed

A Family Support Team and Student Study Teams include an administrator, a counselor and special needs staff meet with families of children who have difficulties ranging from attendance and behavior to suspected learning disabilities. Special education students receive direct services from a Speech Therapist, Resource Specialist, and a Special Day Class.

At-risk students

The following services are provided for at risk students: After school tutoring, homework center, small group work with Title I teacher, ALA teacher, SFA tutoring, after-school classes, Saturday School and Extended School Year. In addition, the counselor works hard to make sure students attend school, and the Student Success Team meets regularly to discuss students about whom there are concerns.

English language learners

A full-time English Learner Program Coordinator coordinates the program and services to meet the needs of the English learners at Grant. She assists the parents in signing waivers for the Bilingual classes. She coordinates the CELDT testing for the English Learners. She models lessons for bilingual classroom teachers, oversees the ELD program and redesignation process, and teaches small ELD groups. In addition, two Program Assistants help with testing and work with small groups of students.

Grant has a full-fledged ALA (bilingual) program in grades K-5. Parents choose to have their children in this program and sign a waiver.

Students with disabilities

Special Day Class and Adaptive PE as needed. Speech Services and RSP services.

After-school programs

After School All Stars is a 3 hour program. Homework Center provides homework assistance for 1 hour after school. All Stars enrichment program, BAWSI girls.

Tutoring

SFA tutoring for targeted students in grades 1, 2; Teachers provide after school tutoring. Resource teachers have intensive after school classes. Many teachers tutor students after school.

Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including the California Standards Tests (CSTs); the California Modified Assessment (CMA), and the California Alternate Performance Assessment (CAPA).

The California Standards Tests (CST) show how well students are doing in relation to the State content standards and are reported as performance levels. Students are tested in the following areas:

- English and Language Arts—Grades 2-11
- Mathematics—Grades 2—11
- Science—Grades 5, 8, 9, 10 and 11
- History and Social Science—Grades 8, 10 and 11

The CAPA and CMA are alternative assessments for special education students with Individual Educational Plans.

Detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, can be found on the CDE Standardized Testing and Reporting (STAR) Results Web site at <http://star.cde.ca.gov>. Program information regarding the STAR Program can be found at <http://starsamplequestions.org/welcome.html>

NOTE: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of any individual student.

Academic Performance Index (API)

The **Academic Performance Index (API)** is an annual measure of the academic performance and progress of schools in California. API scores range from 200 to 1,000 with a statewide target of 800. Detailed information about the API can be found at the CDE API Web Page at <http://www.cde.ca.gov/ta/ac/ap/>

API Ranks

This table displays the school's similar schools API ranks. These ranks are published when the Base API is released each March. The statewide API rank ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest 10% of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest 10% of all schools in the state. The similar schools API rank reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing 10 schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

API Changes by Student Group -- Three Year Comparison

This table displays, by student group, the actual API changes in points added or lost for the past three years, and the most recent API score. Note: "N/A" means that the student group is not numerically significant.

Adequate Yearly Progress (AYP)

The federal NCLB act requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in English-language arts (ELA) and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Detailed information about AYP, including participation rates and percent proficient results by student group, can be found at the CDE AYP Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

AYP Criteria	School	District
Overall	No	No

Detailed information about PI identification can be found at the CDE AYP Web page at http://www.cde.ca.gov/ta/ac/ay/ .		

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (English-language arts or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP.

California Physical Fitness Test

Grade Level	Percent of Students Meeting Fitness Standards

The California Physical Fitness Test is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. Detailed information regarding this test, and comparisons of a school's test results to the district and state levels, may be found on the CDE Physical Fitness Testing Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that

San José Unified School District

The School Accountability Report Card (SARC), which is required by law to be published annually, contains information about the condition and performance of each California public school. More information about SARC requirements is available on the SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>. For additional information about the school, parents and community members should contact the school principal or the district office.

San José Unified's SARCs are prepared by the Office of Educational Accountability

Data and Access

DataQuest

DataQuest is an online data tool located at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g. Academic Performance Index [API], Adequate Yearly Progress [AYP], test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

State			5,681.00	68,170.00
Percent Different - School Site and State			-5.65%	-3.29%

This table displays a comparison of the school's per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/> and teacher salaries can be found on the Certificated Salaries and Benefits Web Page at <http://www.cde.ca.gov/ds/fd/cs/>.

Types of Services Funded

San José Unified School District spent an average of \$9,303 per student in the 2008-09 school year, compared to \$8,825 per student spent on average by all unified districts in the state. Total operating expenses for the 2007-08 year were \$279,871,911. Additional details about San José Unified's expenditures can be found on the Ed-Data web site (www.ed-data.k12.ca.us).

These expenses are for costs related to educational services to students as well as directly related support costs, such as utilities, custodial and maintenance costs. Included also are central support costs related to such activities as hiring, purchasing and accounting. This figure does not include food services, land acquisition, new construction, and other expenditures unrelated to core educational purposes. The expenses-per-student figure is calculated by dividing total expenses by the district's average daily attendance (ADA).

Comparison of District and State Teacher and Administrative Salaries (Fiscal Year 2008-09)

This table displays district-level salary information for teachers, principals, and superintendents, and compares these figures to the state averages for districts of the same type and size. The table also displays teacher and administrative salaries as a percent of a district's budget, and compares these figures to the state averages for districts of the same type and size. Detailed information regarding salaries may be found on the Certificates Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.
