“Every 15 Minutes”

Leland High School, the California Highway Patrol and the American Medical Response, present the "Every 15 Minutes" Program at Leland High School

May 23, 2007, San Jose, CA.- On May 23rd and May 24th, in conjunction with the California Highway Patrol and American Medical Response, Leland High School will be presenting the "Every 15 Minutes" program. This comprehensive, anti-DUI program emphasizes good decision making for our high school juniors and seniors during the prom and graduation season, and in to their college and adult lives.

When: May 23, 10 a.m. – 11 a.m.
May 24, 10 a.m. - 11:30 a.m.

Where: 6677 Camden Ave. San Jose, 95120
May 23, Leland Football Field
May 24, Leland Gym

The program has two phases: phase one is a simulated accident scene on Leland's football field using Leland students as the crash victims and DUI driver. Phase two is a funeral that includes guest speakers who have lost loved ones in their lives due to an alcohol related collisions.

This program brings students as close to losing a loved one as can be, and brings the reality of an alcohol related collision to the entire student population. Please join us during our presentations.

This information has been censored from all but a few of the student body members.

For specific questions about the program at Leland High School, please contact Leland's Assistant Principal, **Paul Yllana: (408) 690-5067.**
