

Jackie Zeller
Principal

In preparation for the fall SATs, Abraham Lincoln High School has teamed up with **Revolution Prep** to hold classes on campus leading up to the November 1st SAT test date. The class will begin on Saturday, September 20th. For more details on the schedule of Revolution Prep classes offered at Abraham Lincoln High School, please see the attached blue flyer.

Taking a mock exam is a valuable way for students to find out areas of strength and weakness on college admission exams. Revolution Prep will be holding a **MOCK full-length SAT exam as a fundraiser for Abraham Lincoln High School**. 100% of the proceeds will benefit the school. Each student who participates will receive an on-line score report including detailed performance analysis. Those who take the mock SAT will also receive written feedback on the essay (*see brochure). **PLEASE NOTE: The Revolution Prep Mock SAT exam is a practice test only, NOT to be confused with the official exams.**

Students must bring the tear-off from this letter to the Career Center to register for the exam.

Mock SAT: Saturday, _____, 2008 from 9am to 1pm

Revolution Prep has received positive feedback on its score improvement results, online resources, and value. Lincoln HS however, does not endorse any specific company; we encourage students and parents to do their research and make an informed choice for SAT preparation. Please direct questions regarding the practice exams and SAT prep classes to Revolution Prep at (877) 738-7737.

Sincerely,

The Career Center and Revolution Prep
