As a student at Lincoln High School, I agree to the following with regard to school locker usage:

1. I will use only the locker assigned to me. If caught sharing a locker not assigned to me, the student assigned to that locker will lose their locker privilege. Combination will be changed and locker will be reassigned.
2. I can share my school locker with my specified partner, only.
3. I understand that school lockers are school property. As such, any damage to the locker which I am assigned will be my responsibility. No backpacks or clothes in lockers. Overloading lockers will cause them not to open.
4. I will not alter the appearance of my assigned locker in any way (stickers, mirrors, wallpaper, etc.). Anything pressing against the door or the locking device will prevent the lock from releasing. Do not overload lockers. This can cause problems in the opening of the locker. We will open locker twice. If overloading is the problem you
5. will lose your locker privilege and locker will be reassigned.
6. I will be charged for any repairs to and/or replacement of the locker for which I have been found responsible. Such costs will not exceed \$150.00 and will be added to the student deficiency list. At the end of the year it is your responsibility to clean out your locker, return any books to the Library/Media Center. If we have to clean out
7. your locker you will not be given locker privilege when you return in the fall
8. It is your responsibility to notify Student Services immediately, if you have any problems with your locker.
