“Inspiring and Preparing for Success”

Dear Parent,

Lincoln High School has some exciting news! We've just joined the **eScrip Recycling Program**. This program is FREE and provides convenient locations for collecting laser, inkjet cartridges, used cell phones, iPods and laptops while raising funds for our school.

How the program works: Collection bins, clearly marked and accessible during normal school hours, will be placed at [name locations]. You can drop off your recyclable cell phones, cartridges, iPods and laptops whenever it's convenient for you. Periodically, our school will mail the items collected at our school to the **eScrip Recycling** offices. **eScrip Recycling** will then deposit funds electronically in our groups account!!!

Did you know that every second of every day nine ink cartridges are thrown away? Help us turn this waste into CASH! Please donate your cell phones, cartridges, iPods and laptops by placing them in the collection bins found at area locations throughout the school.

Not only is this an easy way to raise funds, it also teaches our students valuable lessons about the variety of materials that can be recycled and it helps them develop life long patterns.

This program will not be successful without the support of the community and people like you. Thank you for your help in recycling.

Sincerely,
Jackie Zeller
Principal, Lincoln HS
