Bibliography Format

General Information:
1. For each resource listed, begin first line at margin and indent each line that follows.
2. Underline or use italics for titles of books, periodicals and software. Titles of articles are enclosed in quotation marks.
3. Note punctuation and follow exactly.
4. If required information, such as author or place of publication, is not available, just leave it out.
5. Arrange all sources in one list, alphabetically by first word, which will generally be either the author's last name or the first important word of the title.
